CREATIVE + RESPONSIBLE MACHINE INTELLIGENCE

Creative thinking. *A more capable business.*

Crave Genius connects creative direction, business strategy and useful technology. Founded and led by Creenagh Flynn, the studio builds around your expertise, your customers and what you need to achieve.

Purpose first.

Clear goals, useful scope and agreed measures.

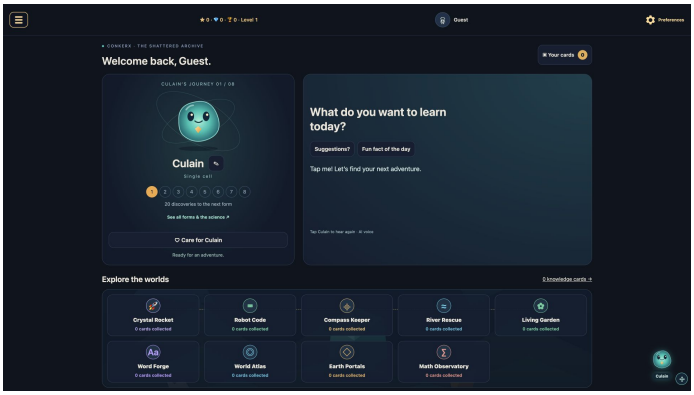

Expertise throughout.

Approved knowledge, subject matter experts and human review.

Human creativity.

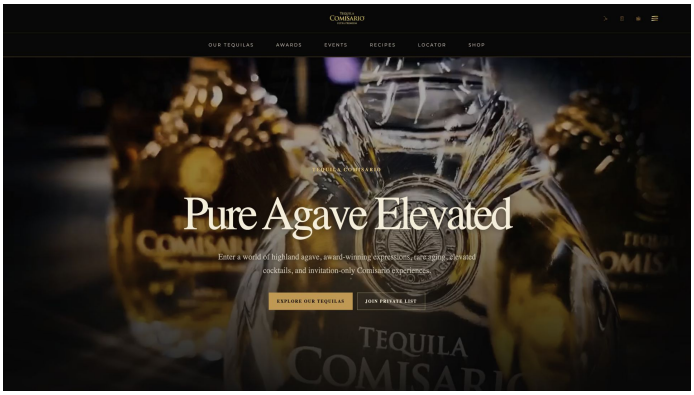

Creative direction and production led by people.

SELECTED WORK / BUILT BY CREENAGH FLYNN

ConKerX

Class tutoring project - ethical & secure intelligence.

Comisario

A digital experience for a premium spirits brand.

18+ YEARS OF EXPERIENCE

MIT xPRO: Designing and Building AI Products and Services. Certificate of completion, October 2026; 6 CEUs. Three Exemplary Assignment awards, including the capstone project.

One studio.
The right scope.

Start with the outcome. Choose the expertise, tools and support your business needs.

01 / LOGO & BRANDING

An identity your team can use.

Original logo design, brand guidelines and motion endings, with a guided brief and calculated estimate.

02 / WEBSITES & SYSTEMS

A website with a job to do.

New builds, thoughtful rebuilds and integrated workflows shaped around sales, leads, investors or the way your team works.

03 / CUSTOM AI AGENTS

Expertise put into action.

Purpose-specific agents for repetitive tasks, analysis and useful actions, using approved knowledge, clear permissions and human escalation.

04 / MARKETING MANAGEMENT

A plan connected to performance.

Strategy and content your team can use, or an ongoing engagement that brings channels, measurement and daily review together.

05 / SUPERMIND

Connect the whole business.

Business and marketing plans, expert knowledge, education and integrated systems. Build and train your team, or develop and manage ongoing. Engagements are reviewed for fit.

06 / BUSINESS PLANS & KITS

Make the business understandable.

A business plan, investor presentation or media kit shaped around your audience, business model and evidence.

07 / CREATIVE

Human creative production.

Campaign assets, content systems, print, digital and motion work. Clear briefs, coordinated batches and ongoing creative support.

What would you like *to make possible?*
